Lesson 11	<i>The Fall of Man</i>
Lesson 12	<i>Where Sin Abounds, Grace Abounds Still More</i>
Lesson 13	<i>Cain, The Father of All Who Wander</i>

The above lesson schedule for *Beginnings for Beginners: Foundations from the Early Chapters of Moses' Discipleship Manual* attempts to study the early chapters of Genesis through the lens of the setting in which Moses would have written them – as a discipleship tool for the infant nation of Israel.

As we taught through the material, we often spent more than a single week on each lesson. You may find it helpful to do the same.
